## ABOUT

As an experienced video editor, my skills are focused on creative storytelling. Throughout my career, I have worked at two great video game publishers, Funcom and Private Division. I currently serve as Private Division's sole creative as video editor working on successful titles such as **No Rest For The Wicked**, **Kerbal Space Program 2**, and **The Outer Worlds (Spacer's Choice Edition)**.

## WORK EXPERIENCE

### Private Division | Munich, Germany

Video Editor | 2022 – Present

- Concept, develop and produce game trailers with developers and marketing.
- Work with social media managers to produce social assets.
- Capture gameplay and marketing shots for trailers and b-roll purposes.
- Scripted and edited sizzle reels for upcoming un-announced projects to use for third parties.

### Funcom | Oslo, Norway

Video Editor | 2021 – 2022

- Concepted and edited trailers and behind-the-scenes featurettes for marketing.
- Concepted and edited fun social content alongside the social media team
- Directed production crews on behind-the-scenes content.
- Versioning assets for various channels.

### The Social Chain | Manchester, UK

Video Editor | 2021

- Concepting and editing short social assets covering gaming news for Gamebyte and Fraghero.
- Coordinating with the lead editor on quick turn around videos to be edited and released same day.
- Developing ideas and pitches for potential video series for main channels.

### BBC The Social | Glasgow, Scotland

Content Creator | 2020-2021

- Co-ordinating with Video Producer on scripts for potential online topic videos.
- Sourcing gameplay videos and audio from various channels to use for videos.
- Editing and audio recording for online topic videos related to video games.
